Carpenters and Laborers

Rohde Construction Company

Rohde Construction Company is a West Michigan based General Contractor specializing in multi-family housing and commercial construction projects. We typically work throughout the state of Michigan and occasionally work in neighboring states as well.

A position at Rohde Construction is much more than a job – it is a career. Our relationship-oriented approach is evidenced by the majority of our employees having been on our team for well over a decade. We understand that our employees are the reason for our success and Rohde's company culture reflects that understanding.

Rohde Construction Company offers competitive compensation packages commensurate with experience, health insurance benefits, 401k, paid vacation and much more.

We are looking for candidates with varying levels of experience from **laborers** with no experience necessary to **carpenters** with general carpentry skills as well as **lead carpenters** to assist Project Superintendents on our job sites. The desired candidates would also have a good work ethic and a willingness to learn the trade. Although most of our projects are within driving distance of Grand Rapids, there are instances that overnight travel is required for some projects.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, height, weight disability or genetic information that is unrelated to the person's ability to perform the duties of a particular job or position, misdemeanor arrest record, marital status or other characteristics which are or may be protected by law.

Rohde Construction Company is an EEO employer and encourages women, minorities, and Section 3 individuals to apply.
